POLICY INFORMATION:

1. This scholarship is based on scholastic achievement, personal character, leadership, and participation in extracurricular activities.
2. This scholarship shall be for **first** undergraduate or special interest degrees only.
3. The scoring of applications will be completed by an award selection committee comprised only of impartial persons entirely independent of the PBSA, the Chief's Group, the applicants, or any organization contributing scholarship monies.
4. Each applicant will be rated independently, without knowledge of prior rating. A score chart will be used to assign points for each category on the application.
5. Verification of the final scoring of applications will be conducted by a team consisting of the PBSA scholarship chairperson, president, and welfare treasurer. In the event that a scoring anomaly is discovered, the application will be returned to the original award selection committee for rescoring.
6. Race, sex, religious affiliation, national origin, and physical impairments will not factor in the consideration of recipients. The names of the applicant and parents, military unit, parent's rank, and any other identifying information will be concealed prior to viewing by the award selection committee to ensure complete impartiality.
7. Winners who receive and accept any fully subsidized four-year scholarship with any other institution, organization, or foundation will not be eligible to receive this scholarship. A fully subsidized scholarship shall be defined as one that covers tuition, fees, books, room and board, computer, and other items to completion of a bachelor's degree.
8. Students appointed and accepted for admission to any government service academy will not be eligible to receive this scholarship.
9. Applicants will be notified by e-mail of acceptance (or by USPS first-class letter mail if no e-mail is provided on the application). A scholarship certificate will be presented at a special ceremony May 31, 2013.
10. The winner shall not be awarded the actual scholarship until s/he is accepted at an accredited college and notifies the PBSA scholarship chairperson of the acceptance and intent to enroll (data sheet will be mailed to winners).
11. The PBSA welfare treasurer will mail the scholarship check directly to the school of choice and will instruct the school that the recipient may use the money for any expenses that are related to educational pursuits, with any additional monies to be refunded to the student.
12. Should the winner transfer to another accredited school before using all available funds, the remainder may be transferred by the original school to the new school of the student's choice; both the original school and the student must notify the PBSA welfare treasurer immediately.
13. Should the winner cease to attend classes at the school of choice and not transfer to another school within the school year, remaining funds shall be returned to the PBSA welfare account and designated for use toward the following year's scholarships.
14. Should a winner receive and accept a full scholarship or accept an appointment to a government service academy after a portion of the scholarship has been used, all remaining funds are to be returned to the PBSA welfare account.
15. Any student planning delayed school enrollment should notify the PBSA scholarship chairperson. Scholarship money will be held only until February of the year following the student's request for a delay. If the student fails to enroll by this date, s/he becomes ineligible to receive scholarship funds.
16. Any funds awarded but not used during the academic school year in which they were received will revert back to the PBSA welfare account. Definition: An academic year will consist of the 365 days beginning on the first day of the fall academic semester and ending with the last day of the summer cycle.
17. Requests for use of money returned under provision 15 will be considered by the PBSA Board on a case-by-case basis. Requests for an exception must be made no later than July 31 of the academic year in which the scholarship is received.
18. Reservists assigned to Pope AAF/Ft. Bragg are excluded from the 50-mile radius requirement.
